### Standard Operating Procedure for Student Scholarship/Freeships

The institute has established a standard operating Procedure to assist needy, financially downtrodden but eligible students to obtain scholarship and freeship from government, non-non government organizations, and other institute. The details are given below:

- A dedicated clerical staff is to be assigned the responsibility of handling scholarship fellowship related matters, including online application at the beginning of each academic session.
- The information related to scholarships and freeships has to be published in the college prospectus.
- A nodal officer is to be appointed to handle scholarships and othe related matters.
- Notice/circulars should be circulated among the students to give information related to scholarship/freeships received from the government or other agencies.
- An external agency is appointed to facilitate students filling the online application.
- Admission fees should be waived off for needy students.
- Admission fees should be waived off for students who excel in sports.
- Send proposals to non-government organization for scholarship.
- Encourage faculty to provide financial incentives to meritorious students.
