Need more skill based courses designed by the University

Government permission should be granted for filling up the vacant post of teachers

Student should be given more options to choose their subject

Some interdisciplinary courses should be introduced along with regular courses along with the regular courses

Question bank for the students should be prepared by the University

Suggestion

15 responses

No such suggestion.

The curriculum should be designed in such a way that the resources and tools available in rural areas can be utilized in daily life

No such suggestion.

The syllabus of Commerce should be designed as per the current financial scenario of our country/state

Before framing the syllabus feedback or suggestions of the teachers should be taken by the University.

No such suggestion

The portion of rural Economics should include in Indian economy syllabus.

अभ्यासक्रम अधिक चांगला करण्याची आवश्यकता आहे! त्यासाठी सामूहिक प्रयत्नाची गरज आहे.

More weightage should be on skill oriented courses

Keep on progressing.

As the syllabus is framed by University there is very little that the college can do except give suggestions to the board of studies members for necessary change in the curriculum

Have to improve personality development skills of students.

Ex student gathering should be arranged

छात्रोंके लिए डिजिटल लायब्ररी, डिजिटल लेक्चरर उपलब्ध करना.

To organize historical, economic type of tours. Discussing current news by professors among students. To provide guidance and guest lectures to the students about the changing economic conditions of the day. To Build personality development and communication skills for the students. To guide the students about business and jobs. To develop the latent qualities of the student. To organize workshops on various subjects for the students.
